# ITRAK 365

The most scalable and adaptable **Safety & Compliance** solution for the Microsoft Cloud

ITRAK 365 is tightly integrated with **Microsoft Dynamics 365, Power BI and Azure,** allowing users to leverage the power and scalability that comes with the Microsoft stack. Our solution allows organizations of any size, to customize the software to their ever-changing workflows, enabling them to be more agile and responsive to operational risks.

Key Benefits of ITRAK 365

▪ Integrates seamlessly with Dynamics 365 and Azure, reducing the need for complex in-house configuration

▪ Empowers employers with deep insights into Quality, Health, Safety & Environment (QHSE/EHS) data

▪ Aligns QHSE workflows with easy to use interface and tools

▪ Facilitates a more connected field workforce with mobile technology

▪ Enables workflow efficiencies, creates more agile organizations and enables a strong safety culture

The ITRAK 365 interface is built with your end-user in mind.
