Publishing and ITRAK 365 API... for your apps

API = Application Programming Interface, a way to share data easily with ITRAK

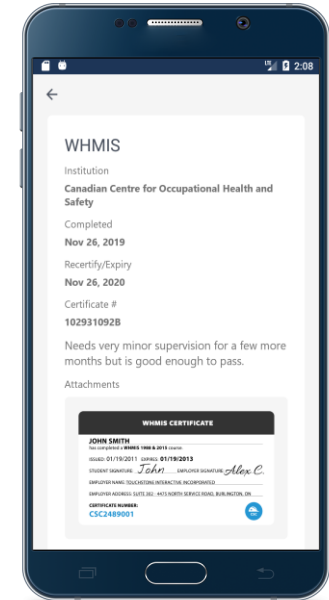

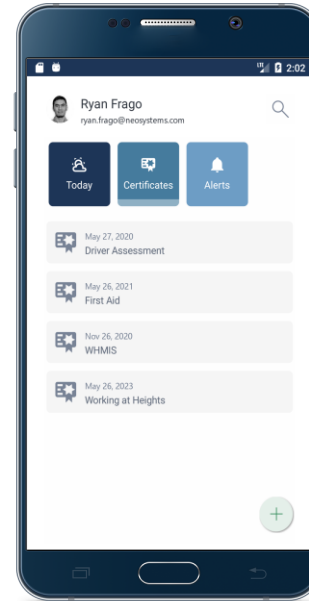

Demo – ITRAK Training App

Summary

The training app is a new tool for companies to:

- ✓ Make training easier
- ✓ Reduce paper burden
- ✓ Make certifications faster and more compliant
- ✓ Open training to more people

Questions?

If we do not get an opportunity to respond to your question, we will follow up.
